

Athletics

Panorama Primary School's athletics consists of junior athletics (U.7-0.9) and senior athletics (U.10-0.13). The learners participate annually in the Interhouse event where athletes compete in green, white and red teams respectively, to win the team cup and singing cup.

From this achievement, strict criteria is used to select our senior athletics team for the year. This team participates in various competitions throughout the year. The team also gets the opportunity to participate in trials to acquire WP colours.

We are privileged to have passionate coaches who are willing to provide the best opportunities for our athletes. Our coaches are willing to learn new coaching styles and attend workshops.

We can measure our success by the number of our athletes who have already been included in provincial teams in Primary School.

Sonja van Tonder
Head of Athletics (Seniors)

Eljo Jansen
Head of Athletics (Juniors)
