

# TENNIS

Panorama Primary School's tennis consists of mini-tennis (u.7 - u.8), beginners (u.10 - u.13), mixed and the first teams. Tennis is coached as follows: Gr.1 boys and girls, Gr.2 boys and girls. Beginners: Gr.3 boys and girls, Gr.4 boys and girls, Gr.5, 6, and 7 boys and girls. First teams and mixed teams have their practice times. Teams are selected according to a player's skills and expertise.

We are privileged to have wonderful enthusiastic coaches working with professional coaches to give all the players enough opportunity to excel. Our coaches are always willing to learn new coaching techniques and attend courses and workshops. Practice times are arranged so that all players have an equal chance to improve their skills.

We like to take part in League matches as well as tournaments.

Panorama Primary has 5 tennis courts which we use for our players.

Our mission is to ensure that all our players get the same opportunities to promote their tennis.
